

Tasty Crusty Chicken

Culinary Love Recipe

Ingredients

- 1 chicken, in portions. I use chicken thigh fillets, about 1/2 a kilo, cut in halves
- 1 1/2 cups of soft breadcrumbs
- 1 onion, finely chopped
- 2 tablespoon of chopped parsley
- 1 tablespoon of mixed herbs
- 1 oz of margarine
- 1 packet of chicken noodle soup mix
- 1 cup of milk
- 1/2 rasher of bacon (optional)

Method

1. Roll the chicken portions in seasoned flour, then place in a greased casserole dish.
2. Sprinkle chicken noodle soup over chicken.
3. Mix breadcrumbs, onion, bacon, parsley, herbs and melted margarine together then sprinkle over chicken and pour over milk.
4. Cover and bake in 150°C oven for 1 hour, remove cover and bake further 1/2 hour.
5. Serves 4. (I make this amount for 2 & use the leftovers to make sandwiches)
